# ABOUT SYMBIOSIS SKILLS & PROFESSIONAL UNIVERSITY

The 'State-of-Art' campus has been constructed on 15 acres of land with specialized laboratories, workshops & centers of excellence having specialized skill training equipment and machines. The University offers Certificates, Diplomas and Degree programs in high growth sectors such as Automobile, Construction, Mechatronics, Architecture, Retail, Ports & Terminal Management, Beauty & Wellness, Media Management, etc. with multi entry-exit and credit banking options.

The objective of the University is to create '**Industry-Ready**' youth who can be gainfully employed upon completion of their courses. University works very closely with the industry in offering best of skill-based training to students. It not only caters to skill training demands of the industry but also brings '**learn while you earn**' opportunities to working professionals.

## ABOUT B.Tech

### WORK INTEGRATED PROGRAMS

B.Tech is offered in Work-Integrated Learning Model to candidates who are diploma holders and working in the industry. Lectures, training, and practicals are conducted at flexible times as per the convenience of the candidates. **SSPU** offers many value-added courses along with engineering training.

**SSPU** offers two specializations in Advanced Mechatronics & Industrial Automation and Automobile Engineering. Candidates get direct entry into the 2<sup>nd</sup> year (provided they are eligible as per the norms).

**B.Tech for the Working Professionals is an opportunity for you to fulfil your dream of earning an engineering degree and that too without leaving your job!**

## HIGHLIGHTS
